PERSONAL STATEMENT

I am a non-smoker, physically and mentally fit. I am also a resolute, driven, and hardworking individual who is looking for work opportunities with better prospects and a better future. I pride myself on being a ridiculously hard working and consistent person. I am self-determined and would like to think that I am dependable and trustworthy. I am performance driven and have a highly accurate nature whereby diligence is necessary for me. In addition, I have excellent self-management skills and I am an adaptive learner. With all the above said, I am a type of person who enjoys new adventures, loves travelling, team player and thrives on new challenges.
