Personal Details

Name: Makhura Sekgana Confot

Email: sekganacofot18@gmail.com

Phone: 084 961 6718

Availability: Immediately

Willing to Relocate: Yes

Profile

BSc graduate in Mathematical Science majoring in Statistics and Operational Research, with strong skills in Data Analysis and System Development. Proficient in SQL, Power BI, C#, Java, and statistical modeling. Experienced in building web applications, data visualization, and problem-solving with a keen eye for detail. Adaptable, analytical, and eager to apply technical and statistical expertise to deliver actionable insights.

Professional Skills

- Data Analysis & Visualization (Power BI, Excel)
- SQL Database Design & Queries
- Programming (C#, Java, VB.Net, HTML, CSS)
- Statistical Analysis & Hypothesis Testing
- Operational Research & Problem Solving
- Project Management & Planning
- Strong Numerical Interpretation
- Communication & Team Collaboration

Work Experience

Mindworx Academy – Trainee Developer & Data Analyst (July 2024 – June 2025)

- Designed and queried SQL databases for data management.
- Developed C# Windows Forms and console applications.
- Created websites using HTML, CSS, and React.js as part of a development team.
- Completed foundational Data Analytics training including Power BI dashboards and insights.

Education

- Bachelor of Science in Mathematical Science – University of Limpopo (2023)

Majors: Statistics and Operational Research

- System Development Certificate – Mindworx Academy
- Data Analysis Bootcamp – Mindworx Academy (Nov 2024)
- Data Analysis Certificate – Udemy
- National Senior Certificate – Mphela Secondary School (2016)

Technical Skills

- Microsoft Office (Word, Excel, PowerPoint, Outlook)
- Power BI & Data Visualization
- SQL, C#, Java fundamentals, VB.Net fundamentals
- HTML, CSS, .NET Framework
- SAS, Project Management
- E-Commerce Platforms
